

Workplace Readiness Skills for the Commonwealth

Grades 9 – 10

Home

Personal Qualities and People Skills

3. **Teamwork:** Contributes to the success of the team, assist others, and requests help when needed

Objective: Student will participate in a “team” setting through an extracurricular activity or sport in the community.

Activities:

1. Identify interests to determine when and where to participate. Investigate interests to determine commitment needs, qualifications, and enrollment procedures.
2. Develop relationship and team building as part of team process.

Resources for Activities: Community Services (church, library, etc.); Parks and Recreation

Objective: The student will assist with a variety of family projects.

Activities:

1. Have your son/daughter work with a sibling or other family member to complete seasonal projects (spring cleaning, yard work, Christmas decorating).
2. Play games that require teamwork.
3. Have your son/daughter work with family members to plan a party or meal.
