Personal Qualities and People Skills

7. **Creativity and Resourcefulness:** Contributes new ideas and works with initiative

Objective: The child and family will do a weekly project together.

Activities:

1. Each person in the family picks a place to visit (e.g. park, library, and museum).
2. The family takes turns picking out a recipe and making something together.
3. Ask a family member or friend to show them how to knit. Learn to knit to make each other a stocking.
4. Interview a relative to find out about their family traditions.
5. Play some games that deal with taking initiative.
