

Workplace Readiness Skills for the Commonwealth Grades 1 – 2 Home

Personal Qualities and People Skills

7. Creativity and Resourcefulness: Contributes new ideas and works with initiative

Objective: The child will experience the joy of being creative.

Activities:

1. Using play-dough, craft supplies etc... allow child to create things without providing a model.
2. Encourage self-expression and the use of everyday items. Allow child to share his/her creations with family members.
3. As a family play charades or other role playing games.
