

Workplace Readiness Skills for the Commonwealth

Grades 9 – 10

Home

Personal Qualities and People Skills

7. **Creativity and Resourcefulness:** Contributes new ideas and works with initiative

Objective: Student will plan and implement a household meal.

Activities:

1. Search for recipes online and discuss the steps in the recipe process. Make a grocery list and visit the grocery store to make budget-conscious purchases. Prepare the meal and take initiative to set the table, clean up after themselves, and leave the kitchen the way they found it.

Resources for Activities:

Objective: The student will initiate work and play activities at home.

Activities:

1. Ask your son/daughter to plan a new activity for family night.
2. Give your son/daughter a disposable item and have them create a new use for it.
3. Give your son/daughter a fixed amount of money and have them purchase/plan a meal for the family.
