VDOE Training/Technical Assistance Center @ JMU**

Friday, September 24, 2010

2:00 p.m. – 5:00 p.m.

Registration and Refreshments begin @ 1:30 p.m.

**Location: Augusta Health – Conference Room AAC 3
78 Medical Center Drive, Fishersville, Virginia**

Transition: It is All About What Your Child Wants to Do is a three hour workshop designed to introduce parents and family members to the transition process that is used to support middle and high school students with IEPs as they move from school to the adult world.

Focus will be placed on how to work collaboratively with school team members to plan a seamless transition to the community, post secondary education/training, and/or employment.

Understanding the transition process will ensure that you have the basic understanding of how to use age appropriate transition assessments to make decisions about post-secondary measurable goals that ultimately lead to rewarding outcomes.
