

Strategies for Supporting Individuals with Autism Spectrum Disorders

December 14-15, 2006
Southwest Virginia Higher Education Center,
Abingdon, Virginia

Description:

Strategies for Supporting Individuals with Autism Spectrum Disorders (ASD) is a two-day workshop designed to introduce participants to good general strategies for supporting people that experience social, communication, and sensory issues related to ASD across the life span. Participants in this workshop should have a basic understanding of autism spectrum disorders and the characteristics of persons with autism.

Participants:

The training is appropriate for:

- administrators,
- general and special educators (including all age ranges),
- paraprofessionals,
- related service providers,
- social workers, and
- parents.

Details:

Cost – \$30.00 per person

Food – Continental breakfast and lunch provided
