

Training Announcement
Video Modeling/Video Self-Modeling
January 8, 2008

What: *Video Modeling/Video Self-Modeling Training*

Participants will learn about this evidence-based approach, and the research behind it, that helps students learn essential skills such as communication, social, daily living, and more. Participants will learn how to tape, edit, and use video of targeted student or peers as they practice the skills. Hands-on training and practice will be offered as part of the training.

There is no registration fee for this workshop; however, registration is required. If you register and do not attend, you will be charged a \$20 fee. Substitutions are permitted. Food and drinks will not be provided.
