PLANNING TIPS

FINDING A PROGRAM

Questions to consider:

- How will this study abroad program fit into your degree plan?
- Are you looking to take courses, intern, or both?
- Are you looking to study a language?
- Are you looking for more of an independent or group experience?

Search Features: Our website offers various search features to assist you in finding a study abroad program. You can search programs by course, major, and location.

Program Type: There are various types of program that are offered through JMU as well as our affiliations. Learn about the various types by visiting the Advising tab on our website.

FINANCES

Cost: When paying for study abroad, you will pay tuition and a program fee. The tuition will cover your academic credits and the program fee will cover lodging, most or all meals, and other aspects of your program experience. For semester programs, students will also pay for room and board. All program fees can be found on each program's webpage.

Financial Aid: Financial Aid can be applied to most study abroad programs. For semester programs, you are able to use your typical financial aid package. You are able to apply aid for summer programs offering at least 6 credits.

Scholarships: YES! There are many scholarships available for studying abroad! Have you applied to any of the scholarships on our website?

ACADEMICS

Selecting Courses: Please know that it is not a requirement to only fulfill courses towards your major when studying abroad. Many of our programs will offer courses in various disciplines that may fulfill GenEd, minor, or major requirements.

Academic Advisor: It is highly recommend that you meet with your academic advisor while planning your study abroad experience. Your advisor will be able to better inform you on how study abroad will fit into your degree plan.

Credit Transfer: If you are interested in completing a Exchange or External program, you will need to complete a transfer credit form. This will allow your credits to be transferred
