Outreach & Engagement

Outreach & Engagement is part of the Division of Academic Affairs. Outreach & Engagement offers credit and non-credit programs as well as targeted one-time courses, certificate programs, and complete degree programs at a distance. The mission of Outreach & Engagement is to serve as a catalyst by utilizing JMU resources to create mutually beneficial partnerships, advance educational opportunities, and empower individuals and our extended communities.

Outreach & Engagement works with faculty, academic units, students and community organizations to design, market and deliver a wide array of courses. Outreach & Engagement also oversees the enrollment of non-degree seeking students. Non-degree seeking students are individuals who enroll in offered credit courses but do not seek a degree.

Certificate Program Admission

Individuals who wish to pursue any of the graduate certificate programs through JMU should apply through Outreach & Engagement and be approved before registering for classes.

Individuals must complete the Certificate Program Application, and select the program to which they are applying. Virginia residents must also complete the “Application for Virginia In-State Tuition Rates.” A non-refundable $45 processing fee must accompany the application. Although certificate program students are considered non-degree seeking students, applicants for certificate programs need only complete the Certificate Program Application once for the semester in which they wish to begin the program. Applications for certificate programs are forwarded to the appropriate academic unit for review, and applicants should check with the academic unit for additional application materials that may be required. A list of available certificate programs can be found at http://www.jmu.edu/outreach/certificates.shtml.

Non-degree Seeking Student Admission

The non-degree seeking student classification includes adult non-degree students and teacher licensure students. An individual seeking enrollment as a non-degree seeking student must complete the “Non-degree Seeking Student Application.” Virginia residents must also complete the “Application for Virginia In-state Tuition Rates.” A non-refundable $20 processing fee must accompany the application. Non-degree seeking students must submit the application and processing fee each semester they enroll in a course. At the 500 level and above, courses require approval by the appropriate academic unit head. Non-degree seeking students can complete the Non-Degree Seeking Student Application and the in-state form by going to http://www.jmu.edu/outreach and clicking “Apply Online Now.” Students should register online during the dates identified for non-degree seeking students following the instructions at http://www.jmu.edu/registrar and clicking “For Students” then “Registration Information Dates and Deadlines.” Walk-in registration and course adjustments are also permitted for non-degree seeking students. Non-degree seeking students can enroll for up to 11 credit hours per semester.
The courses taken in the non-degree seeking student category carry university credit, and they may be transferred into a graduate program, once admitted, at the discretion of the program. Taking courses as a non-degree seeking student does not constitute admission to a program or imply later applicability of these courses toward a degree. An individual who has been academically dismissed from another institution shall be required to wait for at least one calendar year for admission as a non-degree seeking student.

Non-credit Courses

JMU coordinates all non-credit instructional programs through Outreach & Engagement. These programs are available for supplementing and updating knowledge, skills and abilities. Some non-credit courses and workshops award continuing education units (CEUs) as a uniform measure of professional development and to signify the student has completed the course or workshop. Information on CEUs is available online at www.jmu.edu/outreach/CEU.shtml. Information on non-credit course offerings and registration is available at http://www.jmu.edu/outreach. Additional information about Outreach & Engagement as well as other registration information can be accessed on the Outreach & Engagement website.
