**SECTION 7: FORFEITS**

**Article 1: Types of Forfeits**
Forfeits will be classified based on the following:
1. No-show: Team does not meet the minimum player requirement at the scheduled game time
2. Eligibility: Game is declared a forfeit due to the ineligibility of one or more players according to the eligibility requirements outlined in Section 2.
3. Sportsmanship: Game is ended by Intramural Sports staff for sportsmanship-related reasons. This includes, but is not limited to maximum amount of player ejections and/or unsportsmanlike conduct penalties.
4. Social Media Etiquette: A team posts material to IMLeagues.com or social media outlets that is deemed to be in violation of the Intramural Sports program’s web etiquette policy.

**Article 2: Game Time**
GAME TIME IS FORFEIT TIME. Any team that fails to report or has not met the minimum player requirement to participate at the scheduled game time may forfeit that game. If both teams fail to report or meet the minimum player requirement to participate, each team shall be credited with a no-show forfeit and the game will not be rescheduled.
Article 3: Captain’s Choice
If only one team has the minimum number of players ready to play at the scheduled game time, the following will occur:

1. The game clock will start (if applicable).
2. The captain of that team will be asked if he/she wishes to take an immediate win by forfeit or wait 10 minutes for the other team.
   a. If he/she elects to take an immediate win by forfeit, his/her team is declared the winner by forfeit with a score of 1-0 in sports that require playing a single game and a score of 2-0 in sports that require playing a 3-game series. Sportmanship Ratings are assigned as per Section 9, Article 6.
   b. If he/she elects to wait the 10 minutes for the other team, for every minute that passes while the minimum player requirement is not met, that team will lose 0.1 on its Sportmanship Rating for that game.
      ▪ Ex: If a team does not meet the minimum player requirement for a basketball game until 4 minutes past the scheduled game time, the game will start with 16 minutes remaining in the first half and 0.4 will be deducted from that team’s Sportmanship Rating when it is assessed at the end of the game.
   c. If the late-arriving team meets the minimum player requirement within the 10-minute grace period, that team will automatically lose the coin toss (if applicable) and the team that is waiting will have the choices that come with winning the coin toss.
   d. If the team does not meet the minimum player requirement within the 10-minute Captain’s Choice period, that team will receive a loss by forfeit and 2.0 Sportmanship Rating for that contest and the team that is waiting will win by forfeit.

NOTE: If a team decides to wait for the late-arriving team, they must wait the full 10 minutes and neither team may use a time-out to stop the game clock during that 10-minute period.

SECTION 8: NO-SHOWS

Article 1. No-Show
If a team does not show up for one of their scheduled games because of a Default or Forfeit, the Intramural Sports Staff will record a “no show” for that team.

Article 2. Amount of No-Show
Any team that records “no-shows” for more than half of their scheduled games will be removed from the league and replaced by a team from the Waitlist (if there are teams on the Waitlist).
Ex: If a team has 7 scheduled games in the regular season and it “no-shows” to 4 or more of them, that team will be removed from the league and replaced by a team from the Waitlist.

SECTION 9: GAME CANCELLATIONS AND POSTPONEMENTS

Article 1: Cancellation of Activities
Intramural Sports activities are subject to cancellation due to unsafe facility conditions. This may include inclement weather or unforeseen circumstances which may occur in both indoor and outdoor facilities that create unsafe playing conditions. The Intramural Sports staff will make all decisions regarding playability and safety of facilities.
In the event of cancellations, the Intramural Sports staff will send an email to all participants via IMLeagues.com. Also, there will be updates on the UREC Facebook and Intramural Sports Twitter pages regarding the status of games scheduled for that day.

**Article 2: Cancellation of Activities in Progress**
1. In cases when inclement weather or unforeseen circumstances force the halt of games in progress, the specific rules of that sport will determine if each game is considered official. Please refer to the individual rules governing each sport to determine at what point the contest becomes official.
2. In the event of lightning and/or thunder, the following will occur:
   a. Games in progress are stopped if the Intramural Sports staff sees lightning or the lightning prediction system signals a warning. Games will not resume until the lightning prediction system clears play or the mandatory 30-minute wait time has passed with no further sight of lightning.

**Article 3: Postponements**
The Intramural Sports staff will reschedule postponements of playoff games. Participants will receive an email via IMLeagues.com notifying them of an update to the schedule, and teams will be responsible for checking the time of their rescheduled game.

**SECTION 9: SPORTSMANSHIP**

**Article 1: Philosophy**
All participants are expected to take responsibility for their own actions regardless of the repercussions, which involves not blaming others for mistakes made or making excuses for wrongdoings. Sportsmanship is recognizing and acknowledging character and honor among team members and opponents while practicing such characteristics themselves. Participants are expected to respect Intramural Sports staff, opponents, and fellow team members before, during, and after a contest.

**Article 2: Sportsmanship Mission**
UREC and the Intramural Sports program are dedicated to promoting and enforcing positive sportsmanship among all participants. Through each contest, participants must portray fair play, respect for opponents and Intramural Sports staff, and graciousness in winning or losing. In order to encourage proper conduct during games, officials and Intramural Sports staff will make decisions to warn, penalize and/or eject players, coaches, teams, and/or spectators for poor sportsmanship.

**Article 3: Captains**
The team captain is responsible for the actions of his/her team and spectators. Additionally, the captain is expected to ensure that all of his/her team members and spectators are familiar with the rules of play and the policies and procedures contained in this document. Copies of sport rules are available on the UREC website and on IMLeagues.com.

**Article 4: Web Etiquette**
The UREC staff will be monitoring content on IMLeagues.com and interactions with UREC social media accounts. Any comments, pictures, postings or anything deemed inappropriate by the UREC staff are subject to the following:
- Deletion of posted materials
- Removal from the league of the offending individual or team
- Immediate suspension from participation of the offending individual or team
• Referral of the offending individual and/or team captain to the Office of Student Accountability and Restorative Practices

SECTION 11: PROTESTS

Article 1: Rule Related Protests
Questions pertaining to interpretation and/or application of rules on the part of sport officials must be posed by participants and resolved by the Intramural Sports Site Manager or Crew Chief in charge of that field/court at the time the play occurs and prior to the next live ball. The procedure shall be:

1. If a team/participant feels the official has made a misinterpretation or misapplication of a rule, the team captain shall calmly and immediately request a time-out and inform the official that he/she wishes to have a ruling on the interpretation or application by the Intramural Sports Site Manager or Crew Chief overseeing the game site.
2. No protest which involves the judgment of the sport officials shall be honored. The judgment of the officials is final. This also includes Intramural Sports staff when necessary.
   Example: One foot in-bounds while in possession of the ball constitutes a legal catch in Flag Football.
   Case 1: An official rules a pass incomplete because the “player did not have two feet in bounds. This is a rule misinterpretation, which can be legally protested.
   Case 2: An official rules a pass incomplete because the “player’s first foot landed on the sideline.” This is a judgment call, which cannot be legally protested.
3. If corrections are necessary, the Intramural Sports Site Manager or Crew Chief shall rule immediately and the team/participant shall not be charged with a time-out. However, if the official’s interpretation or application of the rule was free from error, the protest will not be upheld and the team/participant will be charged with a time-out.

Article 2: Eligibility Protests
If a team feels that a member or members of the opposing team is or are participating illegally according to the eligibility requirements outlined in Section 2 of this manual, that team should inform the Intramural Sports staff that they would like to file a protest regarding an illegal participant. This protest should be filed with an Intramural Sports staff member before the end of the game in which the participant-in-question is playing. That participant will be permitted to play in that game, and the Intramural Sports professional staff and graduate assistant will review the protest the following day. If the participant-in-question is found to be participating illegally, the offending team will be credited with a forfeit for that contest and the offended team will be credited with a win regardless of the final score.
