

3/14/25 Academic Affairs Highlights

Dear Colleagues,

Just a quick note to wish you a relaxing and rejuvenating spring break wherever and however you spend it. Then it'll be time for a deep breath so we can face the frenetic pace that always accompanies the back half of the spring semester.

I know you thought this email would include a reminder about [enrolling in Okta](#), sorry to disappoint ;)

I'm looking forward to sharing more about your work and achievements after the break. You can always email provost@jmu.edu with items to feature.

Sincerely,
Bob
