JMU Employee Assistance Program (EAP) Questions

? How many JMU employees access the EAP?
Human Resources can’t say how often the program is accessed or used due to confidentiality restrictions related to HIPAA. HR receives multiple questions per week about accessing these services.
Some people call/chat/text specifically about the EAP, while others don’t know about the specific program and are just asking if certain services are available.

? Is the program widely used?
In 2020, there were 6,092 inquiries into the EAP, statewide
In 2019, there were 6,187 inquiries into the EAP, statewide
