**To:** Faculty Response List Serve; PT Faculty List Serve  
**Subject:** Important Messages for Faculty

Colleagues –

Two important documents outlining policy changes related grading options (Student Update) and steps we've taken to remediate the impact of COVID-19 on faculty (Faculty Update) for the upcoming semester are attached. These updates were broadly vetted with faculty and teams of academic affairs leadership, and we appreciate your patience as additional guidance was created.

The student letter will be distributed to all students on Tuesday, 3/24, and the related dates will be updated on the Registrar's website and in the COVID-19 FAQs.

I wish you all the best with your classes this week and the rest of the semester.

Thank you –

Heather
