Subject: Provost's Request for Information On COVID-19 Responses

Dear Colleagues,

As we all adjust to our new routines in the midst of the changes brought on by COVID-19, I hope that you are doing well. Along with the Academic Affairs leadership, I am grateful for your continued efforts to support our students, our university and each other.

To find out how you are handling these disruptions and how we can best support you, I ask that you complete this short survey:

I know you are busy, so these five questions will take under 10 minutes to complete. Your responses will help guide our decision-making, and I appreciate your time in responding.

Sincerely,

Heather
