

Provost's ICCE Council

End of Year Report – May 2022

Membership

Chair(s): Keith Holland

Members: Andrea Adams, Suzanne Bergmeister, Mary Lou Bourne, Jonathan Spindel, David Stringham, Nick Swayne

Charge: To serve as a key hub for communication, sharing, planning and collaboration for ICCE activities on campus. Council members will share the activities in their individual areas and bring more of a focus on ICCE to faculty and students across campus as we grow our efforts in this area. To work closely with the ICCE Steering Committee as they establish strategy and vision for our ICCE efforts

Summary of Current Semester Activity:

- The ICCE Council met once during the Spring 2022 semester to share updates on ICCE related initiatives and activities
- Council members coordinated regularly on ICCE related projects (e.g., TechStars startup weekend, GOVA proposal for JMU S.E.E.D. project, etc.) throughout the semester
- Continued development of the “JMU Innovate” website for cataloging and communicating ICCE spaces and efforts across campus.

Future Work Planned:

- Finalize and implement a “JMU Innovate” website.
- Continue regular communication and coordination of ICCE related activities and resources.
- Respond to requests from the ICCE Steering Committee.
