Dear Colleagues,
Below are important updates for October 15, 2021.

- **On-Campus COVID Testing.** If you experience COVID-19 symptoms or have been exposed to someone who has tested positive with COVID-19, call the Occupational Nurse at the University Health Center at (540) 568-5310 to arrange a COVID test. Testing in Warren Hall is *only* for students. Faculty and staff are *not permitted* to test at that site.
- **OTC Tests.** Faculty may order and purchase over-the-counter COVID-19 tests from the UHC pharmacy. You can order the tests in advance by calling (540) 568-5553. Note that the UHC pharmacy does not accept cash.

Sincerely,
Heather
