

# COUNSELOR EDUCATION PROGRAM

The JMU Office of Admissions sincerely thanks you for your continued interest in learning more about James Madison University and our admissions process. We hope that the Counselor Education Program has been a helpful resource for you throughout this year. We have a few updates to wrap up this cycle.

While we are not producing any formal communications or doing any webinar programming this summer, our office is open, and your [regional counselor](#) is available if you have any questions. And, of course, we will monitor the [counselored@jmu.edu](mailto:counselored@jmu.edu) email if you wish to reach out to us with any questions or feedback.

## Summer Visitation:

Our May calendar is on our [website](#), so please encourage your students to check the availability posted there. We are providing guided tours Monday through Friday, as well as offering self-guided tours. We request that everyone planning to visit campus register through our [website](#). We are currently hosting virtual information sessions on Wednesdays at 6 PM. Beginning on May 26th and running through August 11th, we will be offering one virtual information session per week on Wednesdays from 4-5 PM.

Our plan is for the June visitation schedule to be very similar. We may increase to two guided tour sessions a day from June 14th to August 13th, dependent on demand and tour guide availability. Our office will post offerings on a month-to-month basis to ensure compliance with current COVID-19 restrictions and guidelines.

## Help Us Stay In Touch:

We want to stay in touch! If you have any changes to your contact information, title, high school, or organization, please use this [form](#) to update your information and share any feedback you may have about the Counselor Education Program. We also want to ensure that we reach your colleagues who will be working with next year's seniors AND all students, regardless of grade level, interested in attending JMU. Please encourage them to sign-up for [our counselor mailing list](#).

## Upcoming Webinar: Monday, May 24th at 10:00 A.M. Year Wrap-Up and Dean Walsh Farewell

Join us on Monday, May 24th, for the final Counselor Education Program webinar of the 2020-2021 academic year! We will first share information on our incoming first-year class, final numbers for this admissions cycle, and more. We'd love to hear what is of interest to you—please consider submitting pre-prepared questions in the registration form. We will also have time reserved for attendees to say their goodbyes to Michael Walsh, JMU's Dean of Admissions, ahead of his retirement at the end of June.

You may register [here](#).
