

Learning Centers

About the Learning Centers

Our mission is to enhance the quality of academic work through customized instruction, scholarly investigation, and faculty and student development. Our programs support classroom learning with particular emphasis on building confidence, collaboration skills, and content mastery. The individual programs and centers that make up the Learning Centers department maintain distinctive practices appropriate to their disciplines and missions.

Communication Center - SSC, Room 1155

jmu.edu/commcenter

The Communication Center helps students with public speaking, class presentations, library research, and small group tutoring.

DigiComm - SSC, Room 1146

jmu.edu/digicomm

Digital Communication Consulting (Digicomm) helps students with online communication, focusing on website, online portfolios and digital storytelling.

English Language Learner Services (ELLS) - SSC, Room 1152

jmu.edu/ELLS

English Language Learner Services helps non-native English speakers improve their skills with reading, writing, speaking and listening.

Peer-Assisted Study Sessions (PASS) - SSC Room 1119

jmu.edu/pass

Supplemental Instruction supports selected historically challenging courses in science, math and business.

Science & Math Learning Center (SMLC) - SSC Room 1100

jmu.edu/smlc

The Science and Math Learning Center reinforces learning in selected first-year math and science courses.

University Writing Center - SSC, Room 1121

jmu.edu/uwc

The University Writing Center provides writing tutoring in any subject, during any stage of the writing process.
