

Center for Multicultural Student Services

Overview

The Center for Multicultural Student Services provides educational and celebratory programs and services that support an inclusive campus community in which members value diversity within themselves and others.

Our purpose is:

- To provide cultural programs and create partnerships geared to the recruitment and retention of a diverse student population.
- To foster student growth and provide development opportunities to student leaders of several cultural organizations and multicultural Greek-lettered organizations under its umbrella.
- To encourage the development of a climate in which the accomplishments of multicultural students are celebrated throughout the campus.
