## Meal Plans

Students living in university residence halls are required to purchase one of three residential meal plans. Many off-campus students also choose to purchase an on-campus meal plan that fits their schedule. Most meal plans are a combination of Punches and Dining Dollars that students can use at any dining facility on campus.

■ **Meal Punches:** A punch can be used as entry into any all-you-care-to-eat dining halls or towards a meal at most a-la-carte locations. Students can choose a meal plan with a set number of punches per week.

■ **Dining Dollars:** A declining balance of funds included in a meal plan that can be used at any dining facility as well as vending machines throughout campus. The amount of dining dollars available depends on the selected meal plan. Additional money can be added as needed.
