

VISITOR GUIDELINES

The Arboretum is a tree, wildflower, and wildlife preserve.
Please help us in being good stewards of the Arboretum!

Respect & protect the Arboretum wildlife:

- **Leashed dogs are welcome!** Courtesy bags are located at both of our welcome boards. Please discard bag(s) in trash cans.
- **Please do not feed the ducks.** The Arboretum's pond habitat can support only a small number of ducks. When they rely on food from the public, they overpopulate and deteriorate the pond's health.
- **Fishing is prohibited.**

Maintain the peace, beauty & health of the Arboretum:

- **Discard all waste in appropriate receptacle.**
- **No flames** anywhere in the Arboretum, including grilling fires.
- **Extinguish cigarettes**, discarding cold butts in the trash cans
- **Stay out of the pond, streams, and other water features.**
- **Use biodegradable confetti rather than glitter** or other non-biodegradable materials.
- **Do not remove any natural or man-made materials from the Arboretum** (flower picking, plant or wood removal)
- **Group sports on the lawn are prohibited.**
- **No bicycles allowed on chipped trails.**

If you witness an incident that needs rescue or law enforcement, please call:

JMU PD Non-Emergency Line: 540-568-6912

JMU PD Emergency Line: 540-568-6911 or 911
