SUSTAINABLE CITIES

Are you interested in architecture and its role in shaping our cities? Do you like learning from others?

The best ideas come from many voices at the table. **We invite you to bring yours** to unpack how sustainability, design, culture, policy, and people intersect.

OPEN TO ALL MAJORS!!

Co-taught by Rob Alexander, Prof of Political Science and ICAD co-director, and **Traci Wile,** Asst Prof of Architectural Design

Courses: IART 411E / 511E
Class day: M/W
Class time: 9:35-10:50 am
Class location: OCP at 131 Grace St

COME CURIOUS, COLLABORATE WITH OTHERS, AND LEAVE WITH A RICHER UNDERSTANDING OF OUR BUILT ENVIRONMENT.
