Assessment Progress Template For Annual Academic Program Reporting

Introduction and Purpose:

The purpose of this template is to collect and maintain assessment related information for each of JMU's academic programs. A separate template will be completed for each academic degree program offered at JMU. Through this system James Madison University will have information to share with both internal and external constituents about how well academic programs are conducting assessment.

How to Obtain Assistance with Template Completion:

Program assessment coordinators can seek assistance in completing the template from the Center for Assessment and Research Studies (CARS) and the Program Assessment Support Service (PASS). This [website](#) provides substantial assistance. PASS is a service center that provides assessment consulting services for JMU's academic faculty and student affairs administrators. Appointments for PASS can be made [here](#).
