Internship Experience

Gender Equity Intern, JMU

Harrisonburg, VA

Aug 20XX - May 20XX

- Facilitated in-person outreach and education on a variety of gender equity topics including the wage gap, healthy relationships, domestic violence, sexual assault, and consent reaching over 800 students.
- Provided confidential and empathetic support for victims of gender-based violence and promoted other school and nationwide support resources.
- Created, digitally promoted, and presented to groups of on average 30 students a project on maintaining and identifying healthy friendships.

Intern, International Association of Chiefs of Police (IACP)

Alexandria, VA

June 20XX - Aug 20XX

- Collaborated with full-time staff on projects related to improving law enforcement-based responses to people with mental health disorders, and intellectual or developmental disabilities.
- Organized weekly focus group meetings and translated IACP Research Center research documents for field use.
- Assisted staff with maintaining the National Institute of Justice LEADS Scholars Program which provides networking and professional development opportunities for the LEADS Scholars.
- Planned logistical management of the annual conference with the Conference Manager by updating social media platforms, reviewing meeting spaces, handling payment for the conference hotel, and monitoring pick-up reports.

Campus Involvement

Member, JMU Outdoor Adventure Club

Harrisonburg, VA

Sept 20XX - Present

- Attend 1-3 outdoor hikes per month with other club members while practicing environmental safety by throwing away all trash and leaving the trails seemingly untouched.
- Communicate with club members any recommended hikes or outdoor activities within the area.
