Teaching Practicum Experience

Newton Lee Elementary School, Ashburn, VA

Student Teacher, Grade 3 | Jan. 20XX - Present

- Create and instruct Earth Science units on the Solar System, incorporating personalized learning
- Organize and implement daily math mini-lessons and stations for long-division and operations in order to differentiate instruction and decrease the student-teacher ratio
- Form and employ authentic assessment tools across multiple content areas as a means of monitoring student progress and informing future instruction
- Integrate technology across the curriculum in order to develop 21st-century skills, including the use of interactive Web Quests and Google Classroom Assignments

Spotswood Elementary School, Harrisonburg, VA

Practicum Student, Grade 5 | Aug. 20XX - Dec. 20XX

- Worked closely with active English language (EL) learners and EL teachers to provide additional support and guidance
- Constructed and implemented three whole-class lessons in math, language arts, and social studies as well as 2 group lessons for EL students in sentence construction
- Guided students' behavior in conjunction with the positive behavior management system

Stone Spring Elementary School, Harrisonburg, VA

Practicum Student, Kindergarten | Mar. 20XX - Jun.20XX

- Supervised and assisted lead teacher through weekly lesson plan creation
- Led daily class read-aloud and "before, during, and after reading" discussions and activities in small groups of 5 students
- Prepared weekly crafts and corresponding lesson plans for topics such as counting, writing, and reading

Additional Teaching Experience

InMotion School of Dance, Harrisonburg, VA

Dance Coach | May 20XX - Present

- Conduct class for a team of 13 dancers, with participants ranging from 5-9 years of age
- Lead 2-hour practices, twice a week, and attend tri-weekly competitions with local dance companies

JMU Athletics Department, Harrisonburg, VA

Student-Athlete Tutor | Dec. 20XX - Present

- Provide additional instruction to student-athletes pertaining to English courses
- Meet virtually, weekly with 4 student-athletes to go over class content
- Create guided notes and study guides for each unit's material including study tips

Briar Woods High School, Ashburn, VA

Substitute Teacher, Grade 10 | Dec. 20XX - Jan. 20XX

- Assisted full-time teachers during staff absences
- Followed lesson plans closely to instruct high school students in courses including math, English, and history
- Participated in Loudoun County Public Schools training courses for curriculum planning

Coherence Learning, Ashburn, VA

Math Tutor | Jun. 20XX - Aug, 20XX

- Assisted middle-school students in math courses including trigonometry, geometry, and pre-calculus
- Accumulated an average of 5 tutoring hours per week, seeing 2 students weekly
- Communicated regularly with student's parents to report on progress made
