## KINESIOLOGY EXPERIENCE

---

**Health and Physical Education Substitute Teacher** May 20XX - Present  
Loudon County Public Schools, VA

- Design and implement curriculum, coursework, and instruction for 9th grade Health and P.E. classes
- Lead weekly meetings and collaborate with a 7-teacher team to plan for upcoming lessons, ways to differentiate instruction and reflect on previous lessons
- Teach, execute, and facilitate interactive lesson plans daily for over 130 students to prepare them for assessments
- Grade over 260 assignments weekly and over 130 assessments monthly
- Create and maintain a welcoming, engaging environment where all students feel comfortable
- Monitor and record student data for baseline data, mid-year progress, and end-of-year report

**Kinesiology Graduate Teaching Assistant** August 20XX - May 20XX  
JMU, Harrisonburg, VA

- Aggregated and evaluated education technology in the market for professors to leverage such as EdPuzzle, MoodMission, and Random Workout Builder
- Produced and organized a database of over 50 educational applications for teachers to use in the classroom and gymnasium
- Formatted and configured 8 iPads with over 50 applications to be used by student teachers
- Maintained an inventory of over 300 physical education equipment
- Held daily virtual and in-person office hours to assist students in coursework
- Graded over 200 assignments weekly and over 30 exams monthly

**Head Coach, Lacrosse** May 20XX - November 20XX  
Harrisonburg High School, Harrisonburg, VA

- Enhanced team performance by organizing and leading intensive weekend practices and targeted skills practice sessions
- Developed and implemented comprehensive workout schedules for 22 athletes

## TEACHING PRACTICUM

---

**Student Teacher** September 20XX - June 20XX  
Peak View Elementary School, Penn Laird, VA

- Completed a 7-week practicum in a Title I elementary school with 14 second grade students then transitioned to an 8-week student teacher
- Established positive relationships with students while enhancing classroom management skills for diverse behaviors and social-emotional needs
- Implemented comprehensive, individualized lesson plans across various subjects by assessing student comprehension and adjusting teaching strategies to meet individual needs
