## CLINICAL EXPERIENCE

---

**South River Elementary School, Grottoes, VA**

*Student Intern*

Jan 20XX – Present

- Directly assist the in-school Speech Therapist on rotations through students with Individualized Education Plans (IEPs) to meet their speech goals
- Create a weekly therapy activity to practice phonetic sounds and blending to enhance speech production
- Conduct language development assessments and document progress, adapting strategies to meet individual needs and goals

**Infant and Toddler Language Lab, JMU, Harrisonburg, VA**

*Lab Assistant*

Aug 20XX – May 20XX

- Designed and disseminated weekly announcements and graphics to recruit low-income families with typically developing 6–12-month-old infants for research studies
- Analyzed data on caregiver engagement and infant language outcomes

**Computation, Speech, Sensory, Development & Diseases Lab, JMU, Harrisonburg, VA**

*Lab Assistant*

Aug 20XX – May 20XX

- Collaborated with research team of 4 fellow student-assistants to investigate phonetic pattern recognition in verbal speech
- Dedicated 6 hours a week to participant testing, conducting experimental trials and collecting data to prepare and analyze

**Rockingham Memorial Hospital, Harrisonburg, VA**

*Medical Speech-Language Pathology Intern*

Jan 20XX – May 20XX

- Assisted in the evaluation and treatment of patients with speech, language, cognitive-communication, and swallowing disorders such as aphasia, dysarthria, apraxia, traumatic brain injuries, etc. in an acute care setting
- Conducted bedside swallow evaluations, instrumental assessments such as videofluoroscopic swallow studies (VFSS), acoustic analysis, and cognitive-linguistic assessments
- Participated in multidisciplinary rounds, contributing to patient care plans and discharge planning

## **CLINICAL EXPERIENCE CONTD.**

---

### **Speech-Language-Hearing Clinic, JMU, Harrisonburg, VA**

*Graduate Clinician*

Aug 20XX – Dec 20XX

- Provided diagnostic evaluations and therapeutic services to clients across the lifespan with various speech, language, and swallowing disorders
- Developed and executed individualized treatment plans, utilizing evidence-based practices to achieve client-specific goals
- Collaborated with interdisciplinary teams, including audiologists, occupational therapists, and educators, to deliver comprehensive care

## **LEADERSHIP AND COMMUNITY INVOLVEMENT**

---

### **National Student Speech-Language and Hearing Association (NSSLHA), JMU, Harrisonburg, VA**

*President*

Aug 20XX – May 20XX

- Led an executive team of 12 members and general body of 82 students, organizing monthly meetings and events
- Managed budget of \$5,000 ensuring effective allocation of resources for association activities
- Coordinated outreach initiatives and partnerships with local organizations to enhance students' involvement and community impact

### **Student Clinicians for Community Health (SCCH), JMU, Harrisonburg, VA**

*Member*

Aug 20XX – May 20XX

- Conducted speech, language, and hearing screenings for underserved populations at community health fairs
- Collaborated with peers to design and implement public health campaigns focused on communication disorders awareness
- Engaged in service-learning projects, fostering practical skills and professional growth
