Sport and Recreation Management

## **Mission Statement**

The mission of the sport and recreation program is to develop a community of learners through quality education that integrates theory, practice, and personal growth in the hospitality, sport and recreation industries.

We are dedicated to the development of future leaders in sport and management professions through a course of study that maximizes the potential of individuals and society.

Sport and recreation management is committed to providing:

- An outstanding undergraduate program based on the criteria of relevant professional associations, which will enable graduates to be successful in their professional endeavors.
- A program that builds upon the strong liberal studies background provided through General Education.
- The opportunities that challenge students to think critically, to use technology and to appreciate the global community.
- The research and development projects that push back the boundaries of knowledge and promote effective practice in sport and recreation management.

## **Career Opportunities**

Graduates with this degree will be employed in professional sport organizations, semi-professional sport organizations, collegiate athletics, sport marketing agencies, sport broadcasting venues, facility management in both sport and recreation, community

recreation agencies, commercial recreation agencies, theme parks, military recreation as well as hotels, resorts and other hospitality and entertainment venues.

## Co-Curricular Activities

In order to enhance the educational, experiential, networking and professional opportunities for our students, sport and recreation management (SRM) offers and encourages involvement in a wide variety of co-curricular activities and SRM-related conferences and organizations. Co-curricular activities also include required practicum and internship experiences for which academic credit is given. Below is a list of SRMs most prominent activities:

### Conferences and Events

- [Sports Events Marketing Experience \(SEME\)](#)
- [Sports Industry Networking and Career Conference \(SINC\)](#)
- [National Intramural Recreational Sports Association \(NIRSA\) Annual Conference and Recreational Sports Expo](#)
- [National Recreation and Parks Association \(NRPA\) National Conference](#)
- [Association of Outdoor Recreation Education Annual Conference](#)

## Professional Organizations

- [National Intramural Recreational Sports Association \(NIRSA\)](#)
- [National Recreation and Parks Association \(NRPA\)](#)
- [North American Society for Sport Management \(NASSM\)](#)
- [Association of Outdoor Recreation and Education](#)
- [Society of Health and Physical Educators](#) (SHAPE; formerly American Alliance for Health, Physical Education, Recreation and Dance)

## JMU Clubs and Organizations

- [Phi Epsilon Kappa](#)
- [SRM Major's Club \(SLAM\)](#)
- Sports Clubs

## Practicums and Internships

SRM requires its students to complete a practicum and an internship. Both count as academic credit hours. These are opportunities for the student to gain valuable experience by working in his/her field of choice in a sport or recreation-related agency. The opportunities are almost endless.

While enrolled in [SRM 482](#), Internship in Sport and Recreation Management, students may only take one additional course (three or four credit hours). The additional course must be approved in advance by the site supervisor and the director of SRM.
