- **Evaluation**
 - The CFI values your input and responds to your needs. We value evidence to meet your needs and improve all of our programs. An electronic evaluation will be distributed for January Symposium early next week. Please do complete it. We take your feedback seriously and use it to plan for a better event next year.
- **Photography**
 - Photographers will be at most events so relax and smile.
 - If you do not want your photograph taken or used for CFI purposes, please let your facilitator know and they can convey that to CFI operations staff.
- **Inclement Weather**
 - While we hope this does not happen, we want to be prepared for inclement weather. If the university closes, January Symposium will be cancelled for that day. If a facilitator cannot make it to January Symposium and needs to cancel his/her session, we will post that information at registration.
