

EDUCATION

<i>Doctorate of Philosophy</i>	2014	Communication Disorders & Sciences University of Oregon (Eugene, OR)
<i>Master of Science</i>	2003	Hearing & Speech Sciences Vanderbilt University (Nashville, TN)
<i>Bachelor of Arts</i>	2001	Sociology (Certificate in Jewish Studies) Indiana University (Bloomington, IN)

PROFESSIONAL EXPERIENCE

Associate Professor James Madison University Communication Sciences & Disorders	June 2022-present
Assistant Professor James Madison University Communication Sciences & Disorders	August 2016-June 2022
Research Speech-Language Pathologist Center for Aphasia Research and Treatment Rehabilitation Institute of Chicago	August 2012-2016 May 2006-August 2009
Staff Speech-Language Pathologist Brain Injury and Stroke Rehabilitation Rehabilitation Institute of Chicago	June 2004-May 2006
Clinical Fellow Brain Injury and Stroke Rehabilitation Rehabilitation Institute of Chicago	June 2003-June 2004

CERTIFICATION, LICENSURE, AND PROFESSIONAL ASSOCIATIONS

- License to practice Speech Language Pathology from the Virginia Board of Professional Regulation (2016-present)
- License to practice Speech Language Pathology from the Oregon Board of Professional Regulation (2009-2012)
- License to practice Speech Language Pathology from the Illinois Board of Professional Regulation (2003-2009)
- Certificate of Clinical Competence from the American Speech-Language-Hearing Association
- American Speech-Language-Hearing Association, Member since 2003

Special Interests Division 2, Neurophysiology and Neurogenic Speech and Language Disorders
Academy of Neurologic Communication Disorders and Sciences, Member
Aphasia Access, Member since 2020

RESEARCH GRANTS

Lee, J. B. (PI) & Azios, J. H. (PI). National Institute of Health (NIH Research Enhancement Award R15). Transactional Success in the Texting Exchanges of People with Aphasia. (Under Review)

Cherney, L. R. (PI) & **Lee, J. B. (Co-Investigator).** National Institute on Disability, Independent Living and Rehabilitation Research (NIDILRR). Improving electronic written communication in persons with aphasia: A clinical trial. Field Initiated Award. 10/01/2017-9/30/2020. \$600,000

Donoso-Brown, E. (PI), Wallace, S. (Co-I) & **Lee, J. B. (Co-I).** Duquesne University Faculty Development Fund. Improving Home Program Practice for People with Language Disorders after Stroke. 5/1/2019- 4/30/2021. \$8,113.
Role: *Co-Investigator, external collaborator and single case research design expert*

AWARDS & HONORS

Tavistock Trust for Aphasia Distinguished Scholar Award, 2022.

ASHA Lessons for Success Participant, ASHA's Academic and Research Mentoring Arm, 2021.

ASHA Pathways Participant, ASHA's Academic and Research Mentoring Arm, 2016.

National Institute on Deafness and Other Communicative Disorders (NIDCD) Student Fellowship, *Research Symposium in Clinical Aphasiology*, 2012.

Thompson Family Scholarship, University of Oregon College of Education, 2011-2012.

Kasey Elizabeth Lindeleaf Memorial Scholarship, University of Oregon College of Education, 2012-2013, 2010-2011, 2009-2010.

RIC Donnelley Family Disability Ethics Scholar, Rehabilitation Institute of Chicago, August 2007-June 2008

RIC Sarah Baskin Award for Excellence in Research, 1st place, June 2008 for *The Changing Face of Aphasia Treatment*.

RIC Sarah Baskin Award for Excellence in Research, 3rd place, June 2007 for *Infantile Speech Pattern Coexisting with Aphasia: A Case Report*.

Recipient of Tuition Grant from Vanderbilt University for trainees in Traumatic Brain Injury, Sept 2001-May 2003.

TEACHING EXPERIENCE

Courses Taught at James Madison University (2016-present)

CSD 500/600 – Research Methods in CSD (Graduate SLP and AuD)
CSD 522 – Communication Disorders Following Traumatic Brain Injury
CSD 641 – Adult Language Disorders
CSD 604 – Neuroanatomy and Neurophysiology of Speech and Language
CSD 416 – Organic Disorders in CSD

Courses Taught at University of Oregon (2010-2011)

CDS 609 – NeuroRounds Clinical Methods
CDS 608 – Evidence-Based Practice

Invited Presentations and Lectures

"Single Case Research: Design Standards and Reporting Guidelines," PhD and faculty colloquium, University of Louisiana at Lafayette, November 2022.

"Aphasia Symptomology," Neuroanatomy (CSD 415), James Madison University, October 2017-present.

"Assessment of Aphasia," Introduction to Neuropsychological Assessment (PSYCH 888), James Madison University, March 2019, 2020.

“Equity in Access: Communication Ramps,” Disability Ethics Grand Rounds, Northwestern University Feinberg School of Medicine, Department of Physical Medicine and Rehabilitation and Rehabilitation Institute of Chicago, February 2015.

“Communication Disorders,” Neuroscience III, Northwestern University, Department of Physical Therapy, February, 2015.

“Concepts of Neuroplasticity,” Internal Rehabilitation Nursing Course, Rehabilitation Institute of Chicago, August 2014, January 2015, June 2015.

“Acute Care and Inpatient Rehabilitation,” Cognitive Rehabilitation (CDS 663), University of Oregon, March 2012.

“Aphasia Social Participation Approaches: Conversational Scripting,” Language Disorders in Adults (CDS 654), University of Oregon, April 2011

“Supported Communication,” Language Disorders in Adults (CDS 654), University of Oregon, May 2011.

“Evidence-Based Practice: Searching for Evidence,” Clinical Practicum (CDS 609), University of Oregon, April 2010.

“Attention Models, Disorders, and Assessment,” Cognitive Rehabilitation (CDS 663), University of Oregon, January 2010.

“Medical Speech Pathology: Inpatient Rehabilitation,” Clinical Observation (CDS 411), University of Oregon, December 2009.

“Goal writing and Documentation in Medical Speech-Language Pathology,” Clinical Practicum (CDS 609), University of Oregon, November 2009.

“Can you say ‘I do’ when you have aphasia?” RIC and Northwestern University Feinberg School of Medicine, Department of Physical Medicine and Rehabilitation Grand Rounds Ethics Series, Rehabilitation Institute of Chicago, August 2009.

“Aphasia Treatment Research at RIC: Clinical Applications,” RIC Academy Internal Staff Development Course, Rehabilitation Institute of Chicago, February 2009.

“Overcoming Language Barriers: Aphasia,” Vulnerable Populations: Patient, Physician and Society I, Northwestern University Feinberg School of Medicine, February 2008.

“Communication and Disorders,” Internal Rehabilitation Nursing Review Course, Rehabilitation Institute of Chicago, October 2007.

“Cognitive Communication Management,” Therapeutic Interventions in Stroke Rehabilitation for the OTA and PTA, Rehabilitation Institute of Chicago, January 2006.

“Functional Independence Measure,” Rehabilitation Institute of Chicago, Resident Lecture Series, July 2005, July 2004.

“Broca’s Aphasia: A Case Study,” Rehabilitation Institute of Chicago, Communication Disorders Practice Council Management of Aphasia series, May 2004.

PROFESSIONAL SERVICE
