**We are currently accepting applications for the  
David Kruger Summer Scottish Rite Speech & Language programs!**

**Program Dates:** June 12, 2024 – July 23, 2024 (No camp on Fridays)  
*No camp on June 19<sup>th</sup>, July 4<sup>th</sup>, & July 5<sup>th</sup>*

This year, we are offering different options to meet the needs of the children in our community. Please review the details below, and on the application, and select the clinics that you would like to be considered for so we can place your child appropriately. The first week (week of June 10<sup>th</sup>) will be assessments and is mandatory to participate in the rest of the program. You can select multiple options

Young Children's Program (YCP)

**Time:** Monday-Thursday, 9:00am – 11:30am

**Location:** JMU Anthony Seeger Hall

**Description:** YCP is an early learning program operated by JMU College of Education. The curriculum, environment, and organization are based on professional standards and research related to the learning and development of young children. Our Scottish Rite participants will be immersed within the early learning classroom while simultaneously receiving intensive speech-language services to meet their communication needs. For YCP, we are seeking applicants from 3-5 years of age who have some classroom readiness skills, including independent toileting.

Speech, Language, & Feeding Clinic

**Time:** Monday-Thursday, 8:30am – 10:00 am and 10:30am – 12:00pm, or individual afternoon sessions from 1pm to 4pm

**Location:** JMU Speech-Language Clinic

**Description:** Small group sessions will be offered for children with speech, language, and/or feeding needs. Children will be grouped alongside peers who are working on similar goals. Examples of each are listed below:

**Speech:** articulation & phonological disorders

**Language:** understanding and producing language (sentences, parts of speech, etc),  
alternative means of communication (AAC), social communication

**Feeding:** picky eating, tube feeding, sensory aversions

Adagio House Summer Day Camp

**Time:** Monday-Thursday, 9:00am – 11:30am

**Location:** JMU Speech-Language Clinic

**Description:** Services for teens & young adults (ages 13-25) with intellectual or developmental disabilities. Families can sign up for the full camp or for individual weeks. Services will be tailored to meet individual participant's communication needs. As a reminder, applications must be completed by a parent/guardian along with a recommendation from the child's speech-language pathologist. Please include a copy of their most recent IFSP, IEP, or Plan of Care to help us ensure continuity of care. Since this is an intensive program, participants must be able to commit to attending the entire five weeks. Space is limited as we have a 1:1 ratio of campers to graduate students.
