Education

Virginia Polytechnic Institute and State University, May 2004

Blacksburg, Virginia
Ph.D. in Education, Curriculum, and Instruction - emphasizing in Health Promotion
Dissertation: A Comparison of Health Risk Behaviors among College Students Enrolled in a Required Personal Health Course vs. Enrolled in an Elective Personal Health Course
Advisor: Dr. Kerry Redican

James Madison University, May 2001

Harrisonburg, Virginia
Master of Science in Health Science

California State University, Chico, December 1997

Chico, California
Bachelor of Science in Health Science with an option in Health Education

Certifications

Certified Health Education Specialist

CHES Identification #: 11061
April 2004 – Current

Memberships

American Public Health Association (APHA)

Member #9801880
October 2003 – Current

Society of Public Health Education (SOPHE)

January 2016 – Current
October 2003 – October 2006

SHAPE America - Society of Health and Physical Educators
(Formerly: American Alliance for Health, Physical Education, Recreation, and Dance [AAHPERD])

Member #2108025
March 2000 – Current

Kappa Delta Pi, International Honor Society in Education

Xi Zeta Chapter
Member #351936
Spring 2003 – Current
Secretary 2003-04

Memberships
(Continued)

Eta Sigma Gamma (ESG)

April 2007 – Current

Virginia Alliance for Health, Physical Education, Recreation, and Dance (VAHPERD)

September 2000 – March 2013

Professional Experience

Professor

James Madison University
Department of Health Sciences
Fall 2018 – Current

Responsibilities include teaching (depending on the semester) HTH 351 (previously HTH 451), HTH 351, HTH 352, HTH 370, and HTH 372, along with scholarship, professional service, and academic advising

Associate Professor

James Madison University
Department of Health Sciences
Fall 2012 – Summer 2018

Responsibilities include teaching HTH 370, HTH 352, and HTH 351 (previously HTH 451), along with scholarship, professional service, and advising

Assistant Academic Unit Head

James Madison University
Department of Health Sciences
Spring 2016 – Spring 2017

Responsibilities included assisting the Academic Unit Head (AUH) with various tasks including updating the departmental annual evaluation tools, the departmental faculty handbook, departmental objectives and strategies (including those with budget initiatives), revising the core curriculum for the Health Sciences major, meet with faculty candidates interviewing for open positions, assist with presentations to incoming students, selecting student scholarship winners, recording minutes of departmental meetings, monitoring accreditation status of departmental academic programs, organizing departmental documents, updating departmental policies, and any other tasks the AUH may need assistance with.

Assistant Academic Unit Head

James Madison University
Department of Health Sciences
Spring 2014 – Summer 2014

Responsibilities included assisting the Academic Unit Head with various tasks including preparing presentations to incoming students, selecting student scholarship winners, recording minutes of departmental meetings, monitoring accreditation status of departmental academic programs, organizing departmental documents, updating departmental policies, and updating the 2014-2015 academic catalog.

Assistant Professor

James Madison University
Department of Health Sciences
Fall 2006 – Summer 2012

Responsibilities included teaching HTH 370, HTH 372, and HTH 451, along with scholarship, professional service, and advising

Professional Experience (Continued)

Adjunct Faculty Member

Virginia Polytechnic Institute and State University

Department of Teaching and Learning
Fall 2004 – Summer 2006
Responsibilities included instruction of the Personal Health undergraduate course (EDHL 1514) and 3 online graduate level health promotion courses

Adjunct Faculty Member

Roanoke College
Department of Education, Health and Human Performance
Fall 2004
Responsibilities included preparation for and instruction of the Coordinated School Health Programs course (HHP 335)

Graduate Assistant

Virginia Polytechnic Institute and State University
Department of Teaching and Learning
Fall 2002 – Summer 2004
Responsibilities included co-instructing three graduate level online courses, assisting professors with courses, grading, data entry, research, lecturing on selected topics, and assisting with creating an online personal health course

Graduate Assistant

Virginia Polytechnic Institute and State University
Graduate School – Student Support Services
Fall 2001 – Summer 2002
Responsibilities included maintenance of graduate assistantship records, assisting students, assist with graduate school events, and office duties

Graduate Assistant

James Madison University
Department of Health Sciences, Department Head
Spring 2000 – Spring 2001
Responsibilities included office duties, grading, research, assisting students, assist with departmental events

Teaching

Classroom Teaching Experience

James Madison University

Department of Health Sciences

Professor

- Health Behavior Change (HTH 351) [Previously HTH 451]
(Fall 2018 – Current)
- Environmental Health (HTH 352)
(Fall 2018 – Summer 2021)
- Child and Adolescent Health (HTH 370)
(Fall 2018 – Current)
- Human Sexuality (HTH 372)
(Fall 2022)

Teaching (Continued)

**Classroom Teaching
Experience (Continued)**

James Madison University
Department of Health Sciences

Associate Professor

- Environmental Health (HTH 352)
(Spring 2017 – Summer 2018)
- Health Behavior Change (HTH 351) [Previously HTH 451]
(Fall and Spring Semesters 2012 – Summer 2018)
- Child and Adolescent Health (HTH 370)
(Fall and Spring Semesters 2012 – Summer 2018)

Assistant Professor

- Health Behavior Change (HTH 351) [Previously HTH 451]
(Fall, Spring, and Summer Semesters 2006 – Summer 2012)
- Child and Adolescent Health (HTH 370)
(Fall and Spring Semesters 2006 – Summer 2012)
- Human Sexuality (HTH 372)
(Fall 2006, Fall 2007, Spring 2008)

Graduate Assistant

- Lecture – Research Methodologies; selected topic in a graduate level research course with approximately 20 students (Fall 2000)
- Graduate Lab Instructor – Emergency Response undergraduate course; taught, analyzed, and tested approximately 30 students on emergency response skills discussed in the lecture (Fall 2000)

Virginia Polytechnic Institute and State University

Adjunct faculty member

- Personal Health (EDHL 1514) (Spring 2005)
Lecture on selected topics for a large seminar Personal Health course (approximately 700 students)
- General Overview of Cancer
(Fall 2002, Spring 2003, Fall 2003, Spring 2004)

Virginia Polytechnic Institute and State University (Continued)

- General Overview of Cardiovascular Disease
(Fall 2002, Spring 2003, Fall 2003, Spring 2004)
- General Overview of Health Care and Health Insurance
(Fall 2003, Spring 2004)

Roanoke College

Adjunct faculty member

- Coordinated School Health Programs (HHP 335) (Fall 2004)

Teaching (Continued)

**Online Teaching
Experience**

James Madison University
Department of Health Sciences

Professor

- Environmental Health (HTH 352)
(Summers 2019 - 2021)
- Child and Adolescent Health (HTH 370)
(Summers 2019 - Current)
- Health Behavior Change (HTH 351 [Previously HTH 451])
(Summers 2019 - Current)
- Human Sexuality (HTH 372)
(Fall 2022)

Associate Professor

- Environmental Health (HTH 352)
(Summer 2018)
- Child and Adolescent Health (HTH 370)
(Summers 2013-2018)
- Health Behavior Change (HTH 351 [Previously HTH 451])
(Summers 2013-2018)

Assistant Professor

- Child and Adolescent Health (HTH 370)
(Summers 2008-2012)
- Health Behavior Change (HTH 451)
(Summers 2007-2012)

Virginia Polytechnic Institute and State University

Adjunct faculty member for online undergraduate health promotion course:

- Personal Health (EDHL 1514) (Fall 2005, Spring 2006)

Adjunct faculty member for online graduate health promotion courses:

- Environmental Health (EDCI 5784) (Spring 2005)
- Evaluation of Health Promotion Programs (EDCI 5784) (Spring 2005, Fall 2005)
- Health Behavior and Health Education (EDHL 5734) (Fall 2005)
- Principles of Health Education (EDHL 5304) (Fall 2005)
- Program Development in Health Education (EDHL 5314) (Fall 2005)

Virginia Polytechnic Institute and State University

Instructor and co-instructor for online undergraduate health promotion courses:

- Personal Health (EDHL 1514) (Summer 2004, Fall 2004)
- Drug Education (EDHL 3534) (Summer 2004)

Teaching (Continued)

**Online Teaching
Experience**

Virginia Polytechnic Institute and State University (Continued)

Co-instructor for online graduate level health promotion courses.
Assisted with grading and administration of the following courses:

- Environmental Health (EDCI 5784) (Summer 2005)
- Epidemiology of Substance Abuse (EDCI 5784) (Summer 2005)
- Evaluation of Health Promotion Programs (EDCI 5784) (Summer 2005)
- Health Behavior and Health Education (EDHL 5734) (Spring 2004, Summer 2004, Summer 2005)
- Health of the Elderly (EDHL 5704) (Summer 2005)
- Principles of Health Education (EDHL 5304) (Spring 2004, Summer 2004, Summer 2005)
- Program Development in Health Education (EDHL 5604) (Spring 2004, Summer 2004, Summer 2005)
- Public Health Administration (EDHL 5314) (Summer 2005)
