

# Kristi L. Lewis, Ph.D., M.P.H., M.Ed., C.P.H.

## Education

M.Ed., Counselor Education, James Madison University College Student Personnel Administration (CSPA) concentration	2021
Ph.D., Research and Evaluation, Virginia Commonwealth University	2004
M.P.H., Public Health, Medical College of Virginia	1998
B.S., Biology, Virginia Commonwealth University	1996

## Professional Positions

<i>James Madison University</i>	Harrisonburg, Virginia
<i>Professor-in-Residence</i> Lucille Brown Middle School Richmond, Virginia	August 2017- Present
<i>Faculty Associate</i> Center for Faculty Innovation (Teaching Area)	August 2017-May 2020
<i>Program Director</i> Health Studies Concentration (B.S. in Health Sciences) Department of Health Sciences College of Health and Behavioral Studies/College of Integrated Sciences and Technology	January 2010-June 2017
<i>Professor with Tenure</i> <b>Associate Professor with Tenure</b> <b>Assistant Professor</b> Department of Health Sciences College of Health and Behavioral Studies/College of Integrated Sciences and Technology	August 2015-Present August 2009-July 2015 August 2004-July 2009
<i>Virginia Department of Health</i> <i>Epidemiologist</i> Crater Health District Petersburg Health Department	Petersburg, Virginia February 2003-August 2004
<i>Virginia Commonwealth University</i> <i>Education Coordinator</i> Virginia Institute for Developmental Disabilities	Richmond, Virginia November 1999-February 2003
<i>Virginia Department of Health</i> <i>Epidemiology Specialist</i> Vaccines for Children Program Division of Immunizations	Richmond, Virginia October 1998-November 1999

## **Professional Involvement**

### ***Professional Memberships***

**National Social Science Association (NSSA)**-national  
Member; 2008-2009; 2012; 2014-2015; 2019-2022

**American Evaluation Association (AEA)**-national  
Member; 2005-2009

**American Public Health Association (APHA)**-national  
Member; 2004-2019

### ***Professional Organization***

**Healthy Community Council (HCC)**-local  
Member, Steering Committee; 2005-2007  
Chair, Steering Committee; 2007-2014  
Chair, Assessment; 2009-2011

## **Service**

### ***University Service***

**Quality Enhancement Plan Committee Member;** Fall 2021-Fall 2022  
James Madison University (Educational Leave – Spring 2022)  
Collaborate with colleagues to research, identify and establish an early alert system for JMU students.

**Compensation Advisory Committee Member;** 2020-Present  
James Madison University (Educational Leave – Spring 2022)  
Provide input on compensation related topics on-campus.

**COACHE Committee Member;** 2019-2021  
Academic Affairs, James Madison University  
Assisted with interpreting the data analysis, writing the results section and providing feedback on the draft report of the Collaborative on Academic Careers in Higher Education survey developed by Harvard University.

**Program Reviewer Department of Health Sciences;** March 2020  
Springfield College  
Met on-campus with program faculty, administrators, and students to discuss program strengths, weaknesses, challenges and opportunities. Drafted report in conjunction with co-reviewer Brenda Quincy from Butler University.

**Faculty Search Committee Member;** 2018-2019  
Center for Assessment and Research Studies (CARS), James Madison University

**Research and Assessment Team;** 2017-2018  
Center for Faculty Innovation, James Madison University  
Represented the CFI teaching area. Gave feedback on assessment initiatives.

**Online Committee;** 2017-2018  
James Madison University  
Represented the CFI. Provided input on university online SWOT analysis.

**Academic Progress Template (APT) Reviewer;** Summer 2014 and Summer 2015  
Center for Assessment and Research Studies (CARS), James Madison University  
Evaluated APTs from programs at JMU using a rubric developed by the Center for Assessment and Research Studies (CARS).

**Southern Association of Colleges and Schools (SACSCOC) Reaffirmation Committee Member;** 2010-2012  
James Madison University  
Reviewed faculty credentials for section 3.7.1.

**Pre-Physical Therapy Coordinator;** 2006-2012  
Institute for Innovation in Health and Human Services  
College of Integrated Sciences and Technology, James Madison University  
Advised students interested in pursuing a career in physical therapy.

**University Pandemic Influenza Task Force;** 2005-2010  
Student Affairs, James Madison University  
Served as a consultant to the team on preparing a plan for a pandemic flu outbreak.

**Conversations with Professors;** 2005-2007  
Student Programs, James Madison University  
Conducted a program (1.5 hours) on the college experience and the role of the professor for incoming freshmen.

**Institutional Review Board (IRB);** 2004-2007  
Sponsored Programs, James Madison University  
Reviewed approximately 10-20 research proposals for human research.

### *Department Service*

**Personnel Advisory Committee Member;** 2018-Present  
Review applications for tenure and promotion; observe first-year faculty teaching

**First-Year Advisor;** Summer 2011-Present  
Assist incoming students as they transition from high school to college. Provide assistance with academic and professional career planning.

**Study Group Liaison;** Fall 2011-2019  
Collaborated with the Study Group program to help advise students interested in majoring in Health Sciences

**Dean's Advisory Committee Member;** 2017-2018  
Represented the Department of Health Sciences on the College of Health and Behavioral Studies (CHBS) Dean's Advisory Committee. Provided feedback to Dean Lovell as requested

**Program Director;** 2010-2017  
Serve as Program Director for the Health Studies concentration

**Assessment Coordinator;** 2011-2017  
**Co-Coordinator; 2006-2010**  
Coordinated the Health Studies Senior Assessment

**Health Sciences Curriculum Committee Chair;** 2016-2017  
Chaired committee with duties to call and lead meetings, collaborate with faculty to develop an ideal curriculum for students pursuing a B.S. in Health Sciences

**Health Sciences Handbook/Policy Committee Chair; 2016-2017**

Chaired committee with duties to call and lead meetings, revise and refine policies for the new Department of Health Sciences

**Faculty Search Committee Member; 2016-2017**

Served on a search committee for two tenure-track faculty members in the Department of Health Sciences

**Health Studies Strategic Planning Committee member; 2015-2016**

Selected by the College of Health and Behavioral Studies Dean to work with other faculty to determine the future direction of the Department of Health Sciences.

**Faculty Search Committee Co-chair; 2015-2016**

Co-chaired a search committee for the Health Studies concentration tenure-track Assistant Professor position

**Faculty Search Committee Co-chair; 2014-2015**

Co-chaired a search committee for a shared tenure-track Assistant Professor position in the Health Studies concentration and the Health Services Administration program

**Faculty Search Committee Chair; 2013-2014**

Chaired a search committee for the Health Studies concentration tenure-track Assistant Professor position

**Faculty Search Committee Chair; 2012-2013**

Chaired a search committee for the Health Studies concentration tenure-track Assistant Professor position

**Academic Unit Head Search Committee; 2011-2012**

Served on a search committee for the Health Sciences Academic Unit Head position

**Academic Program Review Chair; 2011**

Chaired the Health Studies Academic Program Review (APR) required every seven years by James Madison University. Health Studies faculty divided the workload and collaborated to write the APR.

**Faculty Search Committee Chair; Spring 2011**

Chaired a search committee for the Health Studies concentration tenure-track faculty position

**Faculty Search Committee Chair; Spring 2010**

Served as the search chair for the Health Studies concentration tenure-track faculty position

**Personnel Advisory Committee (PAC) Chair; 2009-2010, 2011-2012, 2016-2017**

Chaired committee with duties to call and lead meetings, observed first year teaching, reviewed applications for tenure and promotion

**Faculty Search Committee Member; 2007-2008**

Served on a search committee for Health Services Administration Tenure-track, Assistant Professor position

**Faculty Search Committee Member; 2005-2006**

Served on a search committee for Health Education Tenure-track, Assistant Professor position

**Faculty Search Committee Member; 2004-2005**

Served on a search committee for a one-year position shared with Health Education and Dietetics

### ***Student/Student Organization Service***

#### **Pre-Physical Therapy Society; 2006-2012**

Provided guidance as an advisor to the society and in this role assisted with planning and coordination of the Pre-PT Expo held each year in October

#### **Golden Key International Honour Society Advisor; 2004-2008**

Served as the advisor with duties that included attending club meetings, coordination of the induction ceremony, and attendance at an international conference (August 2005)

### ***Professionally Related Community Service and Involvement***

#### **Healthy Community Council (HCC) 2011 Assessment Chair; March 2009-Fall 2011**

Worked with a variety of community leaders to plan and execute a community wide needs assessment (cross-sectional study)

#### **Healthy Community Council Chair; December 2007-Present**

Organizes and facilitates monthly steering committee meetings and quarterly membership meetings

#### **Healthy Community Council (HCC) 2006 Assessment Team Member; May 2005-August 2007**

Collaborated with a group of community leaders to refine the assessment process, develop an assessment instrument, disseminate the instrument to a random sample of Harrisonburg/Rockingham residents, analyze data and assist in developing a written report. This project took over two years. The data has been published and used as an example in both the HTH 408. Health Research Methods course and the HTH 450. Epidemiology course.

- Lewis, K. L., Swerdzewski, P. J., & Ragland, S. (2007, January). Development of a major specific assessment instrument for the health sciences. Oral session presented at the annual meeting of the Health Professions Educational Research Symposium. Ft. Lauderdale, FL.
- Lewis, K. L., & Lowder, D. S. (2006, November). Health care providers as the primary educators on folic acid consumption among women of child-bearing age. Poster session presented at the annual meeting of the American Public Health Association, Boston, MA.

- Lewis, K. L., Thompson, J. M., & Podell, J. (2006, October). Use of the Health Belief Model in the assessment of infection control practices among health care providers. Poster session presented at the annual meeting of the American Evaluation Association Meeting, Portland, OR.
- Lewis, K. L. (2006, June). Development of indicators to assess quality of life in a community setting. Poster session presented at the Congress of Epidemiology meeting, Seattle, WA.
- Roux, G., Lewis, K., & Dingley, C. (2004, July). Evidence based measurement in women's health: inner strength questionnaire. Proceedings of the Sigma Theta Tau International 15<sup>th</sup> International Nursing Research Congress, Dublin, Ireland.
- Roux, G., Dingley, C., & Lewis, K. (2003, November). Inner strength in women with chronic health conditions: Instrument development. Proceedings of the Scientific Sessions of the Sigma Theta Tau International Biennial Convention, Toronto, Ontario, Canada.
- Roux, G., Dingley, C. & Lewis, K. (2003, May). Integration of Inquiries: Qualitative Findings for Theory and Instrument Development. Proceedings of the Fourth International Advances in Qualitative Methods Research Conference, Banff, Alberta, Canada.
- McMillan, J. H., Lawson, S., Lewis, K., & Snyder, A. (2002, April). Reporting effect size: The road less traveled. Paper presented at the 2002 Annual Meeting of the American Educational Research Association, New Orleans, LA.

## ***Grants and Contracts***

### **Funded External Grants and Contracts**

- Lewis, K.L. 2009. INSA grant. \$17,796. Epidemiology for Intelligence Analysis.
- Lewis, K. L., & Hale, P. J. 2008-2009. Freddie Mac Grant. \$3,970. Patient satisfaction with community health center services: A cross-sectional design utilizing assistance from health science and nursing students.
- Lewis, K. L., & Thompson, J. M. 2007-2008. University of Kentucky/Robert Wood Johnson Foundation. \$4,968. Longitudinal analysis of seasonal influenza in the United States: 1997-98 to 2006-07.

### **Funded Internal Grants**

- Lewis, K.L. 2022. CHBS Research Grant \$4,874. Identifying strategies utilized by college students to navigate the COVID-19 pandemic.
- Lewis, K.L. 2018. CHBS Research Grant \$4000. Assessing the Use of Alternative Modes to Deliver Professional Development.
- Lewis, K.L., Kielty, M., Walsh, J., & Edwards, E. 2018. CHBS Collaborative Grant. \$8500. Wellness and Self-Care Symposium for Middle and High School Educators: Assessing burnout, self-care and lifestyle balance, mindfulness and perceived wellness and self-care.
- Lewis, K. L. 2008. CISAT Mini Grant. \$1,000. Continuation of the seasonal influenza study from University of Kentucky. (Paid Dr. Sam Prins, Statistical Consultant).
- Lewis, K.L. & Peachey, A. Madison Collaborative. \$2,750. Ethical Reasoning Knowledge, Attitudes and Behaviors Among Pre-Professional Health Students.
- Lewis, K.L. 2014. Center for Faculty Innovation Critical Health Challenges Grant. \$1000. Development of a case study for the HTH 450: Epidemiology course.
- Lewis, K. L. 2008. Library Services. Information Literacy in the Major. \$1,000. Increasing information literacy in the major: HTH 408: Research Methods.

- Lewis, K. L. 2008-2009. CISAT Summer Teaching Grant. \$4,000. Preparing for the profession: Assisting Pre-Physical Therapy (Pre-PT) students for graduate school and the profession.
- Lewis, K. L. 2007-2008. CISAT Summer Research Grant. \$4,000. Assessing infection control practices among health care professionals providing direct patient care.
- Lewis, K. L. 2007. Center for Instruction Technology, James Madison University, Summer Institute for Online Teaching. \$2,000. Transformation of HTH 352: Environmental Health to an online and hybrid course.
- Lewis, K. L. 2006-2007. CISAT Summer Teaching Grant. \$3,908. Development of case problems for critical thinking in Epidemiology.
- Lewis, K. L. 2006-2007. Center for Assessment Research Studies. James Madison University Summer Fellowship for Faculty. \$5,000. Development of health studies assessment instrument.
- Lewis, K. L. 2005-2006. CISAT Summer Research Grant. \$4,000. Knowledge, beliefs, and behaviors related to folic acid intake among college-aged females.

### ***Professional Development School Involvement***

#### **Mental Health First Aid**

The National Council

April 15, 2021 (good for three years)

I participated in training to provide first aid to those with mental health concerns

#### **Madison Research Fellows**

Center for Faculty Innovation, James Madison University

Fall 2012-Spring 2013

Four faculty members met every two weeks to discuss community engaged scholarship.

#### **Madison Career Fellows: Mid-Level Leaders**

Center for Faculty Innovation, James Madison University

Fall 2011-Spring 2012

Six faculty members met every two weeks to discuss being mid-level leaders (Program Directors, Assistant Department Heads)

#### **Certification in Public Health (CPH)**

National Board for Public Health Credentials

October 2008 (recertified January 2012, January 2014, January 2016, January 2018, January 2020)

I was able to sit for the certification in public health exam that assessed the competencies covered in the Master of Public Health degree. I passed the exam with the charter class.

#### **Process Oriented Guided Inquiry Learning (POGIL) workshop**

July 11-13, 2008, Greensboro, NC

I attended a three-day workshop exploring POGIL, which is a teaching technique to increase student-centered learning within the course curriculum.

#### **Boot Camp for Profs**

July 20-26, 2008, Leadville, CO

I attended a one-week workshop for college professors. The workshop consisted of lectures and demonstrations on teaching techniques, assessment of learning, and student evaluation tools to increase learning in the classroom.

### **Madison Teaching Fellows**

Center for Faculty Innovation, James Madison University

September 2007-May 2008

Chosen as one of eight colleagues to meet bi-weekly to discuss student-centered learning approaches and how to modify teaching strategies to increase a student-centered learning environment.

### **Instructional Activities**

*Instructional Assignments (e.g., classes, student teaching, internships, dissertations, theses)*

#### **James Madison University**

##### **Graduate**

HTH 655: Research Methods. 3 credits

Spring 2006, Spring 2007

HTH 509/NSG 511: Epidemiology. 3 credits

Fall 2005, Fall 2006

##### **Undergraduate**

HTH 320: Statistical Methods for Health Science Research, 3 credits

Fall 2016-Present

HTH 450: Epidemiology. 3 credits

Spring 2005-Present

HTH 408: Health Research Methods. 3 credits

Fall 2008-Summer 2016

HTH 352: Environment Health. 3 credits

Fall 2004, Fall 2005-Fall 2008

HTH 151: Foundations of Health Sciences. 3 credits

Fall 2004, Spring 2005

HTH 390: Infectious Diseases. 1 credit

Spring 2005

HTH 490: Bioterrorism and Emergency Planning. 3 credits

Spring 2006

#### ***New Course Development, New Course Preparations and Major Course Revisions***

##### **Graduate**

HTH 509/NSG 511: Epidemiology. 3 credits

Fall 2005

##### **Undergraduate**

HTH 390: Infectious Diseases. 1 credit

Spring 2005

HTH 490: Bioterrorism. 3 credits

Spring 2006

## ***Student Advisement***

### **Graduate-Directed Research**

Ivan Gowe	ISAT	Fall 2012-Spring 2013
“System Dynamics Modeling Study of the Possibility of Endemic Measles in the State of Virginia”		
Lara Skoloff	Dietetics	Fall 2010-Spring 2011
“Nutritional services agencies for HIV/AIDS patients: Their roles in patient outcomes.”		
Cara Wright	Dietetics	Spring-Fall 2008
“Nutritional interventions for infants and young children in emergencies.”		
Tia Mann	Health Education	Spring-Summer 2008
“Comparison of sense of coherence and health behaviors among university graduate students both with and without a history of adverse childhood experiences.”		
Stella Verdos	Dietetics	Spring-Fall 2006
“Adherence to the cardioprotective Mediterranean diet among men and women in a rural Greek population.”		
Karen Jagiello	Nursing	Spring 2006
“A comparison of perceived stress experienced by traditional and non-traditional graduate students.”		
Allison Pack	Dietetics	Spring 2006
“Determining the extent of implementation of a HACCP-based food safety program in school foodservice.”		
Danielle Lowder	Health Education	Spring-Fall 2005
“Folic acid intake among college-aged females.”		

### **Undergraduate**

Health Sciences Undergraduate Students		Spring 2023
“Professor-in-Residence (PIR) at Skyline Middle School Independent Study Maddie Roberts, Chloe Clark, Brooke Nikolas, Caitlin Meyer		
Emily Canterbury	Independent Study	Fall 2022
“COVID-19 and mental health in college students”		
Mary Figgatt	Independent Study	Spring 2012
“Community-based participatory research (CBPR) and the Healthy Community Council (HCC) study”		
Laura Wheat	Honors (course)	Spring 2011
“2011 Healthy Community Council (HCC) assessment using the assessment data”		
Allison Galway	Honors	Spring 2009-Spring 2010
“Seasonal Influenza and the 2009 H1N1 Pandemic: Elements of a Collaborative Response to a Global Pathogenic Threat”		
Stephanie Owen	Honors	Spring 2008
“Hybrid courses in higher education.”		
Janelle Fern	Honors	Fall 2007
“Environmental factors within Harrisonburg.”		
Hilary Pauli	Independent Study	Fall 2007
“Remembering history: The influence of the 1918 pandemic flu on modern influenza public health policy in the United States.”		
Joe Signorino	Independent Study	Spring 2007

“Evaluation of prerequisites for physical therapy graduate programs.”  
 Mark Shepherd Independent Study Fall 2006
