

Graduate Nursing Handbook Agreement

The JMU School of Nursing has distinct expectations of students that are in addition to those outlined in the James Madison University Graduate Catalog and the James Madison University Student Handbook. The School of Nursing Graduate Student Handbook outlines policies that apply to students in graduate nursing programs.

The purpose of this form is to document that I have:

- (1) Been made aware of these policies
- (2) Read the School of Nursing Graduate Student Handbook
- (3) Familiarized myself with the expectations contained in handbook
- (4) Agree to abide by these policies and understand that I am responsible for any amendments and updates to this handbook throughout my enrollment in the Graduate Nursing Program at James Madison University.

I know that this form will be kept on file until graduation and is appropriate for all learning experiences.

I understand and agree to abide by the School of Nursing Graduate Student Handbook.
