HEALTHCARE RELATED EXPERIENCE VERIFICATION FORM

Healthcare experience refers to any work or volunteer involvement within the healthcare industry, whether it includes direct patient interaction. This can include roles in administrative support, operations, or behind-the-scenes functions in hospitals, clinics, or other medical settings. While not always clinical, healthcare experience offers valuable insight into how the healthcare system functions and supports the delivery of care.

*For this application Lifeguarding is not considered a healthcare experience but can be included in the certification and/or non-healthcare work experience portions of the application. *
