

Jubilee Seminar Health Careers Panel Friday, October 2

Paul Lacey, JMU 2023

Medical Lab Scientist, University of Virginia

Paul is a 2023 graduate with a concentration in biochemistry. He earned an MAT from JMU, then began work as a Clinical Laboratory Assistant. Since completing the Medical Lab Science post-baccalaureate program at George Washington University, he has worked as a medical lab scientist in the Toxicology Laboratory at UVA.

Erin Schell, JMU 2024

Histotechnology Student, Sentara Lab Schools

Erin graduated JMU in 2024 with a degree in Chemistry and a minor in Materials Science. While at JMU she did undergrad research with Dr. Baber. Since graduating she worked as a QA Lab Technician at Shamrock Dairy Farms. Last June returned to school to become a histotechnologist through Sentara Lab.

Josie Swanton, JMU 2025

Physician Assistant Student, MDCHS

Josie graduated in 2025 with a BS in chemistry and a pre-PA minor. She is in the PA Program at the Murphy Deming College of Health Sciences. At JMU, she was in AOE, A Moment of Magic, was a Learning Assistant for chemistry, and worked in Dr. Caran's Research Lab. She also volunteered with Harrisonburg Rescue Squad and worked in the Sentara RMH emergency department.

Meet the Speaker: 2:00 pm, PCB 3144
Seminar: 3:30 pm, King 159
