

# ACS and AXS Present...

## Fall Pre-Job Fair!!

**When:** September 21st, 2018 from 3:30-5pm

**Where:** James Madison University, Festival Conference Center Grand Ballroom

**What:** The purpose of this event is to expose students to the opportunities available to chemistry and STEM-related majors during their time here at JMU and to help them develop a plan for after graduation! You will be able to mingle and talk with JMU alumni who have been where you are, research faculty and employers of STEM majors, like [Merck and MillerCoors](#), in the industry!

Light refreshments Provided!

For any questions or concerns email (Adrienne)
