

# Speaking Simply

Communicating your science

**Tuesday, October 7, 2014**

- 6:30 pm ET **Networking**
- 7:00 pm ET **Webinar**
- 7:30 pm ET **Live Q&A**

*Being a successful chemist involves more than good lab work. The ability to speak clearly and break down complicated concepts into simple statements is key. Learn how!*

## Speakers:

**Douglas Dollemore,**  
ACS Office of Public Affairs

**Darcy Gentleman,**  
ACS Office of Public Affairs

**Bioscience Building  
Room 1007**

A Collaboration with ACS Younger Chemists Committee, ACS Office of Public Affairs,  
and ACS Webinars®
