

FIN Pay-It Forward Scholarship

Purpose

- The purpose of the scholarship is to attract and retain high-quality students, by providing students with both financial support and alumni mentorship.
- The "pay-it-forward" feature lies in that students who benefited from this alumni sponsored scholarship are expected to support their college community after they graduate. We are looking for students with a strong academic commitment and will consider financial need.

Eligible candidates

Sophomore or junior students with a major in Finance or Quantitative Finance.

How to apply

- Submit a one-page (500-750 words) essay in PDF, providing examples how you have strived for excellence in areas such as academics, leadership and/or community service. Also discuss how you would expect to benefit from the program. Please state if there is a financial need.
- Submit a copy of your resume (including email address, phone number, cum GPA).
- All essays and resumes shall be sent to finblaw@jmu.edu by February 1st, with the subject line "RE: FIN Pay-It-Forward Scholarship." Students selected will be notified by March 15th.
