

Cheryl Beverly, Ph.D.

Learning, Technology, and Leadership Education

RESEARCH

Interests

Equitable learning in diverse learning spaces. Other to Other model for developing persons who are effective/successful engaging with Other.

Questions

My research focuses on the following questions:

- 1. How to operationalize concepts of equity and "diversity", "cultural competence", etc.*
- 2. How to operationalize my Theory of Equitable Learning.*
- 3. How to create access and equity in the diverse learning spaces in which we function.*

CURRENT PROJECTS

Other to Other model for successful out of comfort engagement. Book in press.

Theory of Equitable Learning-I take an intra-disciplinary approach to my research.

Partners Invited:

Graduate or undergraduate learners in diverse disciplines
