

# Autism Spectrum Studies Add-On

## UNDERGRADUATE ADD-ON COURSE SEQUENCE –

	<b>Credits</b>	<b>Offered</b>
<b>EXED 416</b> – Overview & Assessment of Autism Disorders	3	Fall, Block 1
<b>EXED 417</b> – Communication, Language & Sensory Issues in ASD (pre-req EXED 416)	3	Fall, Block 2
<b>EXED 418</b> – PBS, FBA and BIP (pre-req EXED 416 & 417)	3	Spring, Block 1

Undergraduate level certificate: This sequence does not include practicum work. The undergraduate add-on would be most suited for those without direct responsibility or exposure to individuals with autism and those who do not hold an undergraduate degree but with a desire to increase their understanding of this population (9 credit hours of study).

**These courses cannot be taken if you have taken EXED 375**
