## College of Education

### Special Education Bachelor's of Individualized Study

James Madison University's College of Education is distinguished through faculty and study achievements, academic rigor, excellence in teaching, student and faculty interactions and relationships, technological innovations, and national recognitions. The College prepares students to become professionals who are able to knowledgeably integrate diverse perspectives and positively impact the lives of all they serve.

This program is a Bachelor's of Individualized Study with a concentration in Special Education both general curriculum and adapted curriculum is designed for students who have earned their Associates Degree and are working as instructional assistants. Completers of this program earn a four year degree and are eligible for a Virginia teaching license in both K-12 Special Education endorsement areas.

### Who is Eligible?

- Students with an AA degree from a VCCS
- Students who want to become special education teachers in VA (K-12)
- Students who need an on-line program and are working as instructional assistants in K-12 schools

### Field Experiences

- In a school setting serving students with disabilities in grades K-12
- Two student teaching experiences in the final year

### Degree & Licensure

For Degree:

About 60 credit hours at JMU plus your AA degree will meet the 120 credit hours required for a 4-year degree

For teacher licensure in VA & program completion passing scores on the following assessments are required:

- ALEKS Math Assessment at JMU
- Virginia Communication Literacy Assessment (VCLA)
- Reading for Virginia Educators (RVE)
