

Licensure Endorsement Information

- JMU is a regionally accredited university and its programs are approved by the Virginia Department of Education. Completion of a JMU pre-professional licensure program prepares students for **licensure in Virginia**.
 - Program **completion** means satisfying all requirements for licensure including coursework, an earned degree, and all required professional teacher assessments as prescribed by the Virginia Board of Education.
- In Virginia, professionals (i.e. teachers) receive one license and can receive one or more endorsement(s) on that license. For more information on applying for a license see https://www.jmu.edu/coe/esc/_files/Applying-Initial-Licensure-1.pdf
 - **Collegiate Professional License** – if baccalaureate degree is earned (e.g. B.A., B.S., B.F.A., B.M., B.I.S.)
 - **Postgraduate Professional License** – if graduate degree is earned (e.g. M.A.T, M.A., M.Ed., Ed.D.)
- In Virginia, pupil personnel service programs (e.g. School Counseling, School Psychology) lead to a **Pupil Personnel Services License**.

The following list indicates JMU Programs and the Virginia Endorsement Area for licensure:
