Meet your Peer Advisors in the Teacher Admissions Advising Center (TAAC), located in Memorial Hall room 7230

TEACH Ambassadors

The TEACH Ambassadors are your peer resource for the Teacher Admissions process. They will walk you through the steps you need to take in order to be fully accepted into the College of Education and share with you materials about entry assessments. If you can't make it to their office, you can email your questions to teach.jmu@gmail.com and a peer advisor will respond!

Transfer Student Advisors

The Transfer Student Advisors are here specifically for students who have transferred to JMU. They have all been through the same process and want to help make it easier for any new students! Located in the same office, the Transfer Student Advisors can also help with the admissions process or any other general questions about the College of Education. If you can't get to the office, you can email tso.jmu@gmail.com to get in touch with one of our advisors.

Hours will be posted on the office door every semester
