Teacher Education Advising

Meet your peer advisors in the Forum of Memorial Hall during our temporary move.

Talk to your education advisors! For questions regarding your area of study, which courses to take, and questions regarding your education program, speak with your major advisor.

TEACH Ambassadors

The TEACH Ambassadors are your peer resource for the Teacher Admissions process. They will walk you through the steps you need to take in order to be fully accepted into the College of Education and share with you materials about entry assessments. TEACH Ambassadors are also available to help transfer students transition to Teacher Education at JMU! If you can't make it to their office hours, you can email your questions to teach.jmu@gmail.com and a peer advisor will respond!

Hours will be posted on the ESC office door every semester.

Want to be a TEACH Ambassador? Contact teach.jmu@gmail.com for information.
