

Chesterfield County – Fall 2021

The fingerprinting days we have reserved are June 17th, 2021- July 1st, 2021. **It is imperative that they make themselves available to complete their fingerprinting within this window to ensure we have their results on time and there are no delays to the placement(s).** Students will need to bring 2 forms of ID to the appointment. Evidence of a TB screening conducted within the last twelve months will need to be attached into neogov by the intern prior to the start date. Per CCPS policy, no interns can begin their placement until we have a “clear/approved” background check.

If you have any questions, please reach out to us at internships@ccpsnet.net.
