

# Where are the books?!

Due to Memorial Hall renovations, our Juvenile Collection has been moved to Carrier Library for safekeeping. While the ETMC is relocated for the next several months, the books are still accessible to you in one of two ways:

1. **Go to Carrier Library.** Our books are on display in Stacks Level 2A and can be browsed and checked out from there. Go in the main entrance and turn left. You'll find them behind the main circulation desk.

2. **Go online and get it delivered!** Open your favorite web browser and navigate to [lib.jmu.edu](http://lib.jmu.edu). In the top right corner, click "accounts" then "go to my library account" and login with your eID and password.

The screenshot shows the JMU Libraries website. At the top, there is a navigation bar with links for Search & Find, Research Support & Teaching, Services & Spaces, and About. Below this, there are links for Ask, Hours, People, and Accounts, with the Accounts link circled in yellow. A COVID-19 update banner is visible below the navigation bar. The main content area features a Library Search bar, a navigation menu with links like JMU Library Catalog, Databases, Journals, and Research Guides, and a section for Need Help? with photos of library staff. An Events section lists upcoming events like Introduction to Podcasting with Anchor and Laser Cutting 101.

Next you can search for a book by author, title, or subject. Type your search in the search bar. You might get a lot of results! Don't worry!! On the left side of the page you can "tweak your results." Click the arrow next to "Location" and then select a "Carrier Stack 2A" location. This will limit your search to just the ETMC holdings.

Once you've selected the book you want, you can have it delivered to Memorial Hall to pick up. Click "request for pickup" and then enter ETMC for the pickup location. Give us about 48 hours to get it here and then come pick it up from us. Your book will be delivered to the ETMC wherever we are (our regular location, or our temporary location in 2105 by the Forum). You will get an email when it has been delivered to Memorial. If you don't hear anything, email us at [etmc@jmu.edu](mailto:etmc@jmu.edu) and we can help.

The screenshot shows a book record for "The giving tree" by Silverstein, Shel, author, published in 1964. The book is available at ETMC Juvenile (P S5875g). Below the book information, there is a "Send to" field and a "Get It" button circled in yellow. Underneath the "Get It" button, there is a "REQUEST: Request for Pickup" option.

Once you are done with your books, you can return them to any JMU book drop or bring them back to us in the ETMC and we will take care of getting them back to where they belong.
