

Instructions for Installing/Upgrading Four Winds Content Manager

1. Open Internet Explorer and browse to the following address:
<http://it-sccm2.ad.jmu.edu/CMAApplicationCatalog>.
2. In JMU's Application Catalog site, select **'Four Winds Content Manager'** then click **'Install'**.

The screenshot shows the JMU Application Catalog interface. The top navigation bar includes 'Application Catalog', 'My Application Requests', and 'My Devices'. A search bar is located in the top right corner. The main content area displays a table of applications with columns for NAME, VERSION, PUBLISHER, CATEGORY, and REQUIRES APPROVAL. The 'Four Winds Content Manager' application is highlighted in blue. Below the table, there is a detailed view of the selected application, including a description and an 'INSTALL' button.

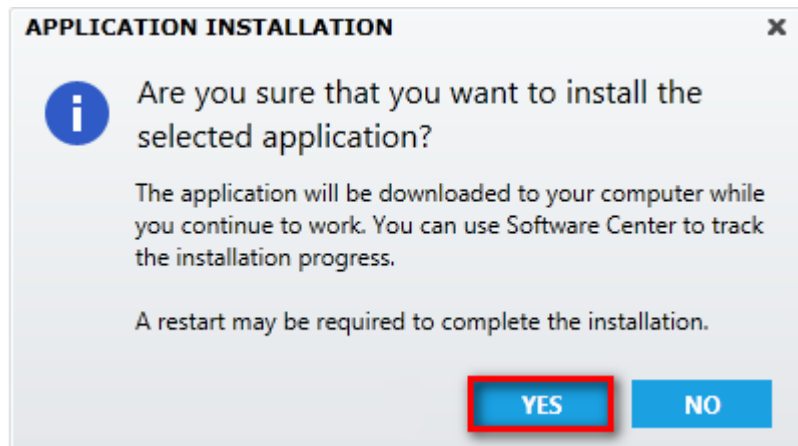

BROWSE BY	Category	Publisher	NAME	VERSION	PUBLISHER	CATEGORY	REQUIRES APPROVAL
All	All Applications	Adobe	Adobe Acrobat 9 Pro	9	Adobe		No
	Digital Signage	Four Winds	Four Winds Content Manager	4.6.2	Four Winds	All Applications, Digital Signage	No
	Microsoft Applications	Oracle	Oracle Client 10g	10g	Oracle		No
		Oracle	Oracle Client 11.2.0.3 - 32bit				No
			TNSNames Update				No
		Microsoft	Visio Professional 2013	2013	Microsoft	All Applications, Microsoft Applications	No
