Department of Computer Science
Minor Application Form

Name:	Expected Graduation Date:
JMU Email: @dukes.jmu.edu	JMU ID:
Major:	Concentration (if any):

Students must submit this form to apply to be Computer Science minors. Enrollment in upper division Computer Science courses is limited to CS majors and minors with full admission. Students seeking CS minor status should apply during the semester in which they are taking CS 159. Students who fail to apply before the last day of classes will not be able to enroll in CS courses beyond CS 159 and CS/MATH 227 the following semester.

You must meet with the CS minor advisor, Paige Normand (normanap@jmu.edu)before you submit this application. To complete the process, you will need to declare the minor in MyMadison and submit the following forms:

- This form with a completed plan of study (can be completed during the advising meeting);
- An unofficial transcript printed from MyMadison;
- Application for Full Admission (`https://www.jmu.edu/bscs/admission/index.shtml`)

In the table below, indicate all applicable courses you have completed or are in the process of completing (i.e. CSnnn). Leave the field for Grade blank if the course has not yet been completed. Cross-listed courses (e.g. CS/MATH 448-449) may be counted towards fulfilling the requirement, while CS 260 and CS 280 cannot be used toward the CS minor.

Requirement	Semester/Year Taken	Grade
1) *Introduction to programming [both required]:*		
CS 149 Introduction to Programming		
CS 159 Advanced Programming		
2) *Choose at least **one** of the following three courses:*		
CS 240 Algorithms and Data Structures		
CS 261 Computer Systems I		
CS 345 Software Engineering		
3) *Choose **three** additional courses [cannot include CS 260 or CS 280]*
