

**Rob Clark, Jr. – bio**

Rob Clark, Jr., Chief Audit & Compliance Officer for Howard University, is a nationally recognized authority in internal audit, compliance, risk management, and cybersecurity with over 37 years of industry experience. (All this means is that, for over half of his life, he's eaten lunch alone. Cuz, let's face it, nobody wants to sit with the Audit and Compliance guy.)

He is Past President of the Association of College and University Auditors (ACUA); was the very first recipient of the ACUA Member Excellence Award; recipient of the ACUA Professional Contributions Award. He is Past President of the Institute of Internal Auditors – Atlanta chapter and recipient of the William J. Mulcahy Award for Excellence in Leadership. He was the Security Task Force Risk Assessment Working Group Chair for EDUCAUSE; and is listed in "Who's Who in America" by the Marquis Who's Who Publications Board 2023-2024.

He has served in Internal Audit and Compliance leadership at M.I.T., Georgia Tech, University of Nebraska, Clark Atlanta University, and now Howard University.

He has certifications as Certified Internal Auditor, Certified Compliance and Ethics Professional, and Certified Business Manager.

He's an international keynote speaker and President-Elect of the National Speakers Association – Washington DC. He's a Certified Virtual Presenter through eSpeakers; a CTM through Toastmasters, performs stand-up comedy; and has been a wedding DJ and Master of Ceremonies for over 3 decades. His presentations are NOT your typical "IT audit speak!"

Be prepared to be engaged, informed, and inspired.
